DISCLOSURE OF STUDENT'S ELIGIBILITY STATUS FOR FREE AND REDUCED PRICE MEALS MEMORANDUM OF AGREEMENT

I. PURPOSE AND SCOPE

The NCDPI School Nutrition Services Section and the NCDPI Accountability Services Division and National Assessment of Educational Progress (NAEP) acknowledge and agree that student's free and reduced price meal and free milk eligibility information obtained under provisions of the National School Lunch Act (42 USC 1751 et. seq.) or Child Nutrition Act of 1966 (42 USC 1771 et. seq.) and the regulations implementing those Acts is confidential information. This Agreement is intended to ensure that any information disclosed by the School Nutrition Program identified in the addendum to this agreement **to the NCDPI Accountability Services Division and schools selected for NAEP 2014 - 2015** about students eligible for free and reduced price meals or free milk will be used only for purposes specified in this Agreement and that the School Nutrition Program, and **the NCDPI Accountability Services Division and schools selected for NAEP 2014 - 2015** recognize that there are penalties for unauthorized disclosures of this eligibility information.

II. AUTHORITY

Section 9(b)(2)(C)(iii) of the National School Lunch Act (42 USC 1758(b)(2)(C)(iii) authorizes the limited disclosure of student's free and reduced price meal or free milk eligibility information to specific programs or individuals, without prior parent/guardian consent. Except that, the parent/guardian must be provided the opportunity to decline to share eligibility information prior to the disclosure for identifying students eligible for benefits under or enrolling students in the State Medicaid Program and the State student's health insurance program. Additionally, the statute specifies that for any disclosures not authorized by the statute, the consent of student's parents/guardians must be obtained prior to the disclosure.

III. RESPONSIBILITIES

The NCDPI School Nutrition Services Section will:

When required, secure parents/guardians consent prior to any disclosure not authorized by the National School Lunch Act or any regulations under that Act, unless prior consent is secured by the receiving agency and made available to the determining agency;

Disclose eligibility information only to persons directly connected to the administration or enforcement of programs authorized access under the National School Lunch Act or regulations under the Act or to programs or services for which parents/guardians gave consent.

Provide instructions to School Nutrition Administrators about their obligation to participate in the NAEP assessment by verifying students' confidential meal eligibility status for all students in the schools included in the NAEP assessment. Please note that the status of students who are matriculating at the schools electing participation in the Community Eligibility Provision should be marked as "yes," which is the indicator that the student receives free meals.

The NCDPI Accountability Services Division and schools selected for NAEP 2014 - 2015 will:

Ensure that only the persons who are directly connected with the administration or enforcement of the agreement **to the NCDPI Accountability Services Division and schools selected for NAEP 2014 – 2015, as stipulated in the attached document,** and whose job responsibilities require use of the eligibility information will have access to student's eligibility information:

Use student's individual confidential meal eligibility status for the following specific purpose(s):

To report the results of the nationally representative sample of student performance on NAEP 2014 – 2015 for the population of students classified as eligible for free or reduced priced meals.

Inform all persons that have access to student's free and reduced price meal eligibility information of the following:

1. The information is confidential;
2. Student's eligibility information must only be used for purposes specified above;
3. No mention of the terms used in conjunction with the National School Lunch Act (i.e., free and reduced) may be used when communicating (print, verbal, electronic or other media) this information;
4. The penalties for unauthorized disclosures;
5. None of the information obtained from the School Nutrition Program may be downloaded or entered into Power School or any other district-wide data management system in the school or district and
6. None of the information obtained from the School Nutrition Program may be disclosed to a third party for any purpose; disclosure to a third party constitutes a breach of the MOA and may result in revocation of the individual's or group's authorization to receive the data in the future and other penalties described in the annual agreement between the School Food Authority and the NCDPI/State Board of Education.
7. No student identifiable information leaves the school (see attached list of schools for the 2014-2015 NAEP).

It is important to note that NAEP does not report results for individual students, schools, or LEAs. NAEP only reports data for populations of students at the state and national level. Most of the information for student eligibility for free or reduced priced lunch has been provided by NCDPI Accountability Division. The NAEP Regional Supervisor will ask the designated NAEP contact at each school to verify the free or reduced priced meal status of the selected students for which no data was available at the time the NCDPI provided the initial information.

IV. EFFECTIVE DATES

This agreement shall be effective from November 1, 2014 to June 30, 2015. The NAEP assessment window for 2014-2015 is November 1, 2014 to May 31, 2015. The designated school contact person is asked to retain the list of students that participated in the 2014- 2014 NAEP assessment until the end of June, 2014. At that time the designated school contact person is asked to securely destroy all information that contains student lists.

V. PENALTIES

Any person who publishes, divulges, discloses, or makes known in any manner, or to any extent not authorized by Federal law (Section 9(b)(2)(C) of the National School Lunch Act; 42 USC 1758(B)(2)(C)) or a regulation, any information about a student's eligibility for free or reduced price meals or free milk shall be fined not more than a $1,000 or imprisonment of not more than 1 year or both.

VI. SIGNATURES

All parties acknowledge that student's free and reduced price meal and free milk eligibility information may be used only for the specific purposes stated above; that unauthorized use of free and reduce price meal and free milk information or further disclosure to other persons or programs is prohibited and a violation of federal law which may result in civil and criminal penalties.
