

WORKSHOP

Title: *Team Up for School Health and Wellness*

Date: *March 19*

Description:

Join us for an interactive workshop, focusing on school health and wellness March 19, 3-7 pm at Smoky Mountain High School in Sylva. Our emphasis will be on building and strengthening school health teams.

We want you on our team! A resource fair will follow the workshop. Sponsored by the Jackson County Public Health Department, Western Carolina University, Jackson County School Health Advisory Council, North Carolina Action for Healthy Kids, Active Routes to School, Centers for Disease Control, and North Carolina PTA.

Intended Audience:

Parents, teachers, students, school administrators, central office administrators, wellness coordinators, school nurses, child nutrition directors, after school care professionals, community members, and anyone passionate about school wellness are invited.

Registration:
