

NEW!

eLearning Portal COMING SPRING 2017

Coming Spring 2017!

To meet your online training needs, the Institute of Child Nutrition (ICN) will be launching a new eLearning portal in the spring of 2017 to replace its current online training system.

Features of the new system include:

Easy Navigation

**Language Translation
At System Level**

Searchable Catalog

Notifications

Mobile Friendly

Fresh new look...

**External Training
Transcript**

Gamification

Social Media Integration

Offline Playing & Syncing

ICN's new eLearning Portal will provide an enhanced online training experience...*Anytime / Anywhere!!*

What you need to know:

Current user profiles and certificate transcripts **will not be transferred** to the new system, so it is important that you access your account and download them before the new system comes online. [Please access your profile](#) and download any certificates you wish to keep as soon as possible.

To keep you informed, we have created a web page of information concerning the launch. This link provides responses to FAQs and includes instructions for downloading your certificates - <http://theicn.org/elearning/>.

We are here to help! If you have any questions or need assistance accessing your profile and certificates, please email the ICN Helpdesk at helpdesk@theicn.org or call us at 1-800-321-3054.

Thank you,
