

# Superior Site Award

The **Superior Site Award** will be presented to a SFSP or SSO sponsor and site representative that operated an open site that went above and beyond to gain and maintain participation. In addition to implementing practices to gain participation, the length of site operation will also impact the points awarded. The award is open to all eligible sponsors operating an open site. Sponsors and site representatives are encouraged to send in supporting documentation.

To apply for this award, **please submit:**

- **Cover page** listing the award name, sponsor name, sponsor or third-party representative, **site name**, and **site representative**.
- A **PowerPoint presentation**, 3-5 slides, no more than 40 words per slide plus notes as needed. The presentation should demonstrate how the site utilized volunteers, activities provided at the site, and how the site was marketed and advertised. All this information should convey how your site gained and maintained participation throughout summer.
- **Bonus: Supporting Documentation.** Supporting documentation could include but is not limited to news clips about the program, photos, testimonials, outreach and promotion materials, community statements, State Agency feedback, special events, activities at meal sites, etc.

See the rubric on the next page for the distribution of points and additional guidance in preparing your materials for submission. Note: NCDPI will calculate the days of site operation based on your 2018 site application.
