Golden Key Achievement Awards

The Golden Key Achievement Award program is a set of criteria designed to recognize the great school meal accomplishments in a single school. This award includes recognition for activities that complement current program regulations and best practices. The purpose of the award is to promote benchmarks of excellence across North Carolina and to honor School Nutrition programs maintaining high standards. Participation in this award fosters ongoing professional development and improvement in the school nutrition environment and aligns with the United States Department of Agriculture (USDA) professional development learning codes.

Fourteen schools participated, and four entries were submitted for the state-wide judging and presentation at the SNA-NC Conference in June. Congratulations to the winners!

Farm to School of NC Awards - Apply Now

The application period for the first annual Farm to School of NC Awards, sponsored by the Farm to School Coalition of NC, has launched! **Apply now through July 31.**

The awards will honor LEAs (Local Education Agencies) and all the work School Nutrition professionals and educators are doing to support farm to school in NC.

Is your LEA procuring and serving local produce? Are you offering any education around agriculture, food and nutrition? Do you have any school gardens in your LEA? Have you engaged community partners to promote and support farm to school? Apply to have your LEA's farm to school work recognized. School Nutrition should lead the application for LEAs, so gather a team and start your collaborative application today. Find the awards criteria and rubrics, downloadable application, FAQs and more plus the link to the online application at www.farmtoschoolcoalitionnc.org/AWARDS.

Also, plan to attend the Farm to School Summit in Raleigh **September 20**, where the first crop of Farm to School of NC awardees will be recognized. (All LEAs that receive Farm to School of NC Awards will receive 2 free registrations to the Summit.)

For any questions regarding the summit or the awards, please contact Tracey Bates, tracey.bates@dpi.nc.gov, or Tes Thraves, tes_thraves@ncsu.edu.
