**Certification and Benefit Issuance** – Validation of the SFA’s certification of students’ eligibility for free or reduced-price meals benefits

**Verification** – Validation of the process used by the SFA to confirm selected students’ eligibility for free and reduced-price meal benefits

Finding Detail: During the review of the verification process, it was noted two (2) applications required more complete documentation in order to be properly verified. The errors are noted below: One (1) application had Social Security (SS) benefits and the households submitted bank statements in lieu of the Social Security statement of benefits. On the second application, the household submitted check stubs which did not document the increments in which payments were received. When the household submitted additional check stubs, at the request of the Verification Specialist, the stubs did not have the required working dates.
